Kelly was given an “AV” rating from her peers—the highest rating—which means that she was deemed to have very high professional ethics and preeminent legal ability. Only lawyers with the highest ethical standards and professional ability receive a Martindale-Hubbell Peer Review Rating of AV.

Martindale-Hubbell conducts secure online Peer Review Ratings surveys of lawyers across multiple jurisdictions and geographic locations, in similar areas of practice as the lawyer being rated. Reviewers are instructed to assess their colleagues' general ethical standards and legal ability in a specific area of practice.

The Martindale-Hubbell® Peer Review Ratings™ help buyers of legal services identify, evaluate and select the most appropriate lawyer for a specific task at hand. The confidentiality, objectivity and complete independence of the ratings process are what have made the program a unique and credible evaluation tool for members of the legal profession. The legal community values the accuracy of lawyer peer review ratings because they are determined by their peers – the people who are best suited to assess the legal ability and professional ethics of their colleague.
