CLASS ACTION LITIGATION

O'Neil Cannon has a very successful track record both litigating and defending class actions. We have been involved with some of the largest class actions in Wisconsin and throughout the country. Our attorneys have represented members of the class who are seeking relief, as well as defended large corporations in lawsuits brought against them.

We have been involved in complex cases involving a wide range of areas including tax refunds, securities, anti-trust, commerce clause, and pension funds. Courts have routinely recognized our firm's high level of competence and experience in our representation of these matters. Lawyers
