HOLLMAN DEJONG & LAING S.C.

## Client Parking Map

O'Neil, Cannon, Hollman, DeJong & Laing S.C. has several complimentary parking spots on Lower Level L2 of the Chase Tower parking structure. These spaces are marked "OCHDL Client Parking" and are located at the far North end of the structure (closest to the Chase Tower), facing West (toward the river), one level below the Skywalk from the parking garage into the Tower. If you are driving a larger vehicle that's unable to fit into the structure, we also have two reserved parking spots also labeled as "OCHDL Client Parking" located on the surface level of the structure to your immediate right upon entering the structure.
