MERGERS AND ACQUISITIONS

The attorneys in O'Neil, Cannon, Hollman, DeJong and Laing's Merger and Acquisition practice area treat every deal as if it is a once in a lifetime opportunity for our clients because, for many clients, it is.

Our primary goal for every transaction is to add value to the merger or acquisition by providing cost-effective advice that makes the best business and legal sense. We pride ourselves on practical problem solving, careful planning, and hard work.

Most Merger and Acquisition transactions touch upon a variety of legal specialties. At O'Neil Cannon, we help our clients achieve their business goals by bringing together advance planning, teamwork, and expertise in areas including: employee benefits, executive compensation, taxation, real estate, and estate planning. We are able to counsel clients efficiently in asset, stock, or merger transactions, and the various tax, ERISA, labor, and real estate issues that cut across virtually every deal.
